This agreement will replace any existing agreements in place for this client.

INVOICES

It must provide details of the work carried out, confirm a monetary amount, and include a VAT number (if applicable). VAT can only be accommodated on invoiced charges.

Invoiced payments will not appear on any adviser charges statements. Confirmation of the payment will appear as a debit transaction on the relevant product bank account, which is viewable through our online service James Hay Online. If your firm is part of a network, please check with your payment department if they require a copy of any invoice submitted, as we do not issue payment confirmation.

SETTLEMENT

The payment terms are 28 days from receipt of the invoice, related documentation and sufficient money required for settlement.

Initial charges are paid on the Friday of the next week, following the completion of the related transaction.

Ongoing charges are paid on the second working day of the month, for the month prior to the previous one. For example, charges for January will be paid on the second working day of March.

Any payments that are missed due to insufficient available cash will be paid in the period following receipt of funds.

If an adviser charge on a client's product is not paid within 90 days of the payment due date, in instances where there is insufficient cash available in the client's product bank account, the payment will be cancelled as will any future adviser charges set up on the client's product. Should this happen, we will require a new Adviser Charges Form to be signed by the client before we can facilitate any further adviser charges payments on that product.
