OTHER IMPORTANT CHARGES

Additional work

The above charges indicate the standard investments and work involved in administering your James Hay iSIPP. However, if we need to perform additional administration over and above that which is deemed reasonable, we will charge an hourly rate of £150 per hour minimum, relevant to staff seniority and expertise.

Regulatory/industry levies

In the event of a levy being imposed on us under the Financial Services Compensation Scheme or any other levy or taxation being imposed on us or your James Hay iSIPP affecting our business, we may recover from your James Hay iSIPP an amount equal to the proportion of such levy or taxation. In the event that we do this, we will give you 30 days' notice of the amount that is due from your James Hay iSIPP.

Annual charge increases

With effect from 6 April 2018, annual charges will increase from 6 April each year in line with the rise in the Average Weekly Earnings (AWE) Index (or any equivalent index in the event that the AWE index ceases to exist) without giving prior notice to you. We will give you 30 days' notice if we amend or increase any annual charges by an amount exceeding the percentage increase in Average Weekly Earnings, or if we amend or increase any other charge.

Section 2

EXAMPLES

Below are examples of the typical charges we would take from the James Hay iSIPP in different scenarios:

Example scenario 1

Getting started

A Financial Adviser recommends a James Hay iSIPP for a client. The client has two pension funds with other providers which will be transferred as cash with a total value of £150,000.

The Financial Adviser's Service Executive Team at James Hay Partnership will facilitate the transfers, request pension discharge forms from the current provider and, once received, request the required transfers. The Service Executive Team will also set up the James Hay iSIPP, perform the necessary checks and set up the SIPP Bank Account.

We tell the Financial Adviser when each pension fund has been transferred. Once the final transfer has arrived, the Financial Adviser implements the investment strategy he has agreed with the client, which is investing in a selection of Investment Centre funds.

What would be the costs for this?

Getting started

Set up charge (via paper application process)	£100
Transfer in charges	Nil
Annual administration charge (taken in advance)	£175
TOTAL	£275

Ongoing charges

Annual administration charge	£175
Annual platform charge (based on holdings valued at £150,000)	£375
TOTAL (per annum)	£550

Example scenario 2

Taking benefits through flexi-access drawdown

The member decides to start drawing regular benefits through flexi-access drawdown from his James Hay iSIPP.

The member decides to take his maximum allowed Pension Commencement Lump Sum (PCLS) along with an income, paid monthly. This is known as Income Drawdown. The Financial Adviser disinvests the existing Investment Centre investments to fund the PCLS and sets up a regular disinvestment to fund the income payments. If the member reduces his income to nil, the annual Income Drawdown charge will still apply.

What would the costs for this be?

Taking benefits

Income Drawdown set up charge	£100
Disinvestment dealing charges from Investment Centre funds	Nil
TOTAL	£100

New ongoing charges

Annual administration charge	£175
Annual Income Drawdown charge	£150
Regular disinvestments from Investment Centre funds	Nil
Annual platform charge (based on holdings valued at £112,500 after 25% PCLS)	£281.25
TOTAL (per annum)	£606.25

Section 3

FREQUENTLY ASKED QUESTIONS ABOUT CHARGES

Crystallisation and Income Drawdown

1. What do your charges for drawing an income cover?

We charge you an annual Income Drawdown charge which covers the administration of PAYE payroll, deduction of tax if required and making the appropriate returns to HM Revenue & Customs (HMRC). This charge also covers any work required to vary the level and frequency of income payments. The charge applies, even if you are taking zero income.

2. What do your charges for taking an uncrystallised funds pension lump sum (UFPLS) cover?

We charge a one-off amount for each UFPLS that you take and this covers the payment of the tax-free element, deducting tax under PAYE on the balance and paying the net amount to you.

3. What happens if there is insufficient money in my SIPP Bank Account when you come to pay my income?

In the event that there is insufficient money to make an income payment when it is due, we will continue to try and make the payment up until the cut-off date for the next month. If we are subsequently able to make a late income payment, you will be charged a £30 administration charge. In the event that we are not able to make this payment by the cut-off date for the next month, the income payment will be cancelled from our systems. Payroll cut-off dates can be found on our website at www.jameshay.co.uk.

Investment related charges

4. What is the annual platform charge?

The annual platform charge is based on a percentage of the combined value of the Investment Centre funds you hold (including where funds are held via a model portfolio on the Managed Portfolio Panel), Cash Panel deposits and the SIPP Bank Account balance.

The charge is deducted from the SIPP Bank Account on a monthly basis.

5. Do your charges include the Investment Centre Fund Managers' charges?

No. If you invest in our Select and Collect fund ranges within the Investment Centre (including where funds are held in a model portfolio on the Managed Portfolio Panel), charges will be applied by the Investment Centre Fund Managers. Please refer to the Select and Collect funds literature at www.jameshay.co.uk for further details.

Some Investment Centre Fund Managers rebate back to us a proportion of the charge they take from you. Any such

rebates will be used to purchase additional units/shares or in certain circumstances as permitted by regulation, may be allocated in cash to your SIPP Bank Account.

6. Do your charges include the Investment Managers' charges?

No. If you choose to use the services of an Investment Manager, they will apply charges for trading in stocks, shares and other investments and for holding cash on your behalf. Please refer to the Investment Manager's literature for further details. If the Investment Manager holds cash on behalf of your James Hay iSIPP, charges will be taken out of this cash, or charges will be settled from the cash held in your SIPP Bank Account.

The level of the charges of an Investment Manager and the reasonableness of them is a matter for you to determine with your Financial Adviser.

7. Do your charges include the Investment Managers' charges for investments held via the Managed Portfolio Panel?

No. If you choose to invest via the Managed Portfolio Panel, the Investment Manager will apply charges based on the value of the funds held in the individual portfolio. The charges will vary depending on the Investment Manager and the model portfolio that you choose to invest in.

The level of the charges of a model portfolio on the Managed Portfolio Panel and the reasonableness of them is a matter for you to determine with your Financial Adviser.

8. Do your charges include Selftrade's charges?

No. If you choose to use the services of Selftrade, they will apply charges for trading in stocks, shares and other investments. Please refer to Selftrade's Charges Schedule for further details. Charges will either be settled from any cash held by Selftrade, or cash held in your SIPP Bank Account.

The level of Selftrade's charges and the reasonableness of them is a matter for you to determine with your Financial Adviser.

General

9. How do your charges get paid?

We automatically deduct charges from your SIPP Bank Account, unless there is insufficient cash available. We do not send you invoices when charges become due. It is your responsibility to ensure that there is sufficient cash available in your SIPP Bank Account to cover adviser and product charges. If any charge is due and there is insufficient cash available, at our discretion we will sell investments within your James Hay iSIPP to pay charges without further notice to you.

You can choose to pay our charges personally, rather than having them deducted from your SIPP Bank Account. We will decide the terms and methods of payment of any charges to be paid in this way. If you do not pay the charges due, you or your estate will be personally liable for the payment of the charges due.

We reserve the right to charge interest on late payment at 8% over base rate as determined by the Bank of England.

For further information, please refer to section 15 of the SIPP Terms and Conditions.

10. What rate of interest is paid on my SIPP Bank Account and do you retain an element of this?

Your SIPP Bank Account is provided for the receipt and payment of money for your James Hay iSIPP (for example, receiving your contributions into your James Hay iSIPP, the payment of benefits out of your James Hay iSIPP and the purchase or sale of investments held within your James Hay iSIPP). The account is designed for holding cash for short periods of time while your investments are being made, or your benefits are being paid, rather than for holding cash over the long term.

The rate of interest we pay will change from time to time. The current interest rate you are receiving can be found on our website at www.jameshay.co.uk.

Banks pay us extra interest because of the total amount of money we hold with them. We will retain this extra interest as it helps us to keep down the other charges on your James Hay iSIPP.

11. What interest do I earn on my fixed term deposits with providers on your Cash Panel?

Indicative rates of interest for any term deposits that you place with a provider on our Cash Panel are shown on our website at www.jameshay.co.uk but the actual rate you receive will be the rate offered by the bank at the time they receive your application.

12. What annual administration charge will I pay?

If the total of your Qualifying Investments amounts to less than £200,000, you will pay the annual administration charge of £175. If the total of your Qualifying Investments amounts to £200,000 or more, we will waive the annual administration charge of £175. To continue to be eligible for the annual administration charge waiver, you need to ensure that the Minimum Balance of Qualifying Investments is maintained within your James Hay iSIPP. Factors such as product fees, charges, withdrawals from your James Hay iSIPP, changes to investments within your James Hay iSIPP, the cost of any pension benefits taken from your James Hay iSIPP, as well as fluctuation in the market value of Qualifying Investments, must all be taken into consideration by you to ensure the Minimum Balance is maintained.

13. What are Qualifying Investments?

Qualifying Investments include cash invested in your SIPP Bank Account, model portfolios held via the Managed Portfolio Panel, fixed term deposit accounts with one or more of the providers on the Cash Panel and investments within the Investment Centre.

14. How do you apply the annual administration charge waiver?

We will periodically review the balance of the Qualifying Investments in your James Hay iSIPP and automatically waive the annual administration charge if your James Hay iSIPP meets the Minimum Balance requirements.

15. What happens if I no longer meet the Minimum Balance requirements for the Qualifying Investments?

If the value of the Qualifying Investments in your James Hay iSIPP is below the Minimum Balance at the time of our periodic review, then the full annual administration charge will be payable at the next anniversary of the opening of your James Hay iSIPP.

16. If at a later date the value of my Qualifying Investments exceeds the Minimum Balance, will you waive the annual administration charge?

Yes, if the value of your Qualifying Investments has risen above the Minimum Balance at the time of the periodic review, we will waive the core annual administration charge for the following year.

17. What is the account closure charge?

The account closure charge covers the costs of closing your James Hay iSIPP if it is not closed through purchasing an annuity or transferring out. It is taken when flexi-access drawdown or uncrystallised funds pension lump sum payments first reduce the value of your James Hay iSIPP below £1,000. Although the charge is taken at this point, we will not actively close your James Hay iSIPP except in certain circumstances. Please see section 16 of the SIPP Terms and Conditions for further information.

If this charge is applied, it may make sense for you to ask us to close your James Hay iSIPP and pay you any balance remaining once outstanding fees have been covered, as the costs of administering your plan would rapidly act to erode the remaining funds.

Glossary and explanation of terms

Capped Drawdown	A form of income drawdown where there is a maximum annual income limit calculated.
Crystallisation	The act of starting to take benefits (tax free lump sum and/or income) from your James Hay iSIPP.
Flexi-access Drawdown	A form of income drawdown available from 6 April 2015 where there is no limit on the amount of income you can take each year.
Income Drawdown	Crystallising benefits in order to draw a tax free lump sum and/or income. This covers both capped drawdown and flexi-access drawdown.
In-specie	The transfer of an asset other than cash from another pension scheme to your James Hay iSIPP, e.g. shares or holdings in investment funds.
